

# Cloudera Installation in VirtualBox

1. Download these software from the given links.

## 7-Zip

7-Zip is a file archiver with a high compression ratio.

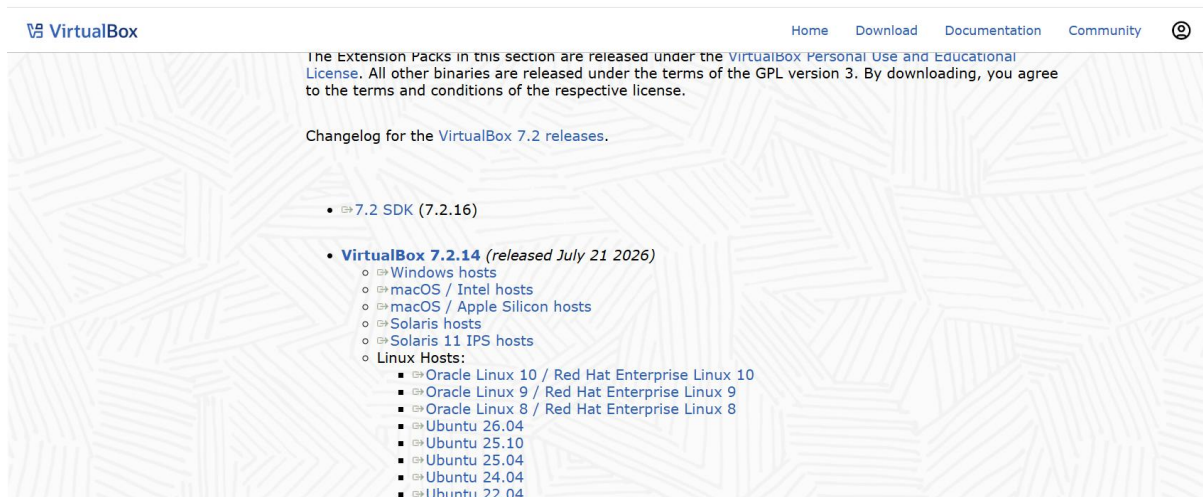

Download 7-Zip 26.02 (2026-06-25) for Windows x64 (64-bit):

| Link                     | Type | Windows    | Size   |
|--------------------------|------|------------|--------|
| <a href="#">Download</a> | .exe | 64-bit x64 | 1.6 MB |

Download 7-Zip 26.02 for another Windows platforms (32-bit x86 or ARM64):

| Link                     | Type | Windows      | Size   |
|--------------------------|------|--------------|--------|
| <a href="#">Download</a> | .exe | 32-bit x86   | 1.3 MB |
| <a href="#">Download</a> | .exe | 64-bit ARM64 | 1.5 MB |

## License
